

Recruiting Session Developers

All Conference Committee members are kindly asked to submit proposals for special sessions of the SMSI 2021 Conference:

Each session should consist of at least 4 paper presentations.

The session developers will be responsible for advertising their session as well as for selecting and reviewing the papers.

The session developer should inform all authors of the session regarding the information on short papers, the proceedings and the registration fee for authors. Details are available at: <https://www.smsi-conference.com/call-for-papers/>

Papers accepted for the session will be published in the Proceeding of SMSI 2021.

Following the end of the Conference the papers presented at the sessions will be considered for publication in the appropriate journals.

Submission of Proposals:

Proposals to develop sessions should include the following information:

1. The title of the session
2. The name, company/institute, mailing address and e-mail address of the proposer
3. A list of the presentation titles and the speakers name, affiliation, mailing address and e-mail address. Please use the form on page 2.

In the further process of conference planning and announcements, accepted session proposals will be treated as so-called invited/organized Sessions.

The deadline for proposals for developed sessions is **7 December 2020**.

Please send your proposal to: contact@smsi-conference.com
