

Sponsorship Program

The 1st Sensor and Measurement Science International – SMSI 2020 – Conference will take place in Nuremberg, Germany, between 22 – 25 June 2020, in cooperation with SENSOR+TEST, the international trade fair for sensor, measuring and testing technology.

The SMSI 2020 will spotlight the most recent innovations in sensor technology for the instrumentation of every possible industrial process via the monitoring of health and environment up to Industry 4.0 and the Internet of Things, for sophisticated measurement solutions as well as for highly specialized metrology regulations.

The sponsorship program is the most efficient way to ensure your company's prominence before, during and after the conference:

- Maximize your exposure
- Present your company, highlight innovations and services and receive feedback and ideas from the audience
- Network with existing and new contacts and discover new business opportunities
- Meet engineers and scientists

The sponsorship program offers companies the opportunity to demonstrate their achievements to the scientists from all over the world at the meeting. We provide customized sponsorship packages comprising the following items and services:
